Information

Making fires are only permitted in the fireplace at the beginning of the stream. You can also use a Trangiakitchen etc. as long as it is a safe place to do so.

If you need to go to the bathroom,
there is a outdoor toilet further down the stream (by the permitted fireplace)

Have you forgotten the water at home, it's a natural cold water spring nearby Jägarstugan.
Just follow the road over the bridge and you have it on your left.

For more information regarding guiding and renting the cabin please visit www.okf.nu

If you and your friends wants to have the stream all by yourself,
please contact us for more information and we will help you.

Tight lines!
