

**JOKKMOKKS HUNTING AND FISHING ASSOCIATION FISHING PERMITS**

**General fishing rules**

Fishing is only allowed with one hand held fishing rod at the time with maximum three hooks. (except for Messaure hydro power plant water reservoir, where trolling with unlimited amount of rods are allowed.) In areas where boat fishing is prohibited you must have contact with land (with exemption for areas where belly boat is allowed).

Live bait is only allowed for winter fishing on frozen water. When boat fishing with boat engine is prohibited, all types of engines are prohibited, electrical engines included. Control and surveillance of the fishing areas takes place continuously. Valid fishing permit must be carried and ready to be shown to certified fishing surveillance officer or member of Jokkmokk Hunting and Fishing Association.

**Messaure**  
**Attention!** Please be careful when fishing close to powerplants and its surrounding constructions and buildings. Such as water inlet and outlet, near the dam, outlet canal etc. Strong currents and high waves and strong and high flood of water can suddenly occur without any warning. Please follow Vattenfall hydro power company recommendations, information and eventual signs. Fishing is prohibited from the hydro power plant dam and 1000 meters down stream.

This map is only an overview of Jokkmokk hunting and fishing association fishing areas. Please use detailed maps for more precise orientation. Please visit [www.jaktfiskejokkmokk.se](http://www.jaktfiskejokkmokk.se) for more information.

In the fishing areas listed below, it is allowed to take Arctic Char, Rainbow Trout, maximun 3 salmonid (See #2) fishes per fisherman and fishing day.
