Fishing for zander in Lakes Torpasjön and Yttre Åsunden

Lake Torpasjön Fishery
Conservation Association

Fishing in Lakes Torpasjön and Yttre Åsunden

The Yttre Åsunden – Torpasjön fishery conservation area was established in 1989. Lake Torpasjön Fishery Conservation Association, founded in 1930, is part of the fishery conservation area. The City of Borås is the largest owner of fishing rights in the Association, and provides access to the Association's water for the general public. The City's ambition is to offer attractive and varied fishing across a range of lakes and waterways.

Unrestricted fishing

Fishing from the shore with a pole does not require a permit. Children under 15 years old may fish with rod and line or handline free of charge.

Permits and boat hire

A one-day permit can be purchased online or from the machine at the Hofsnäs car park. Remember that the SEK 10 you pay in the machine counts towards the fee. An annual permit is available online or at any of our sales outlets. There are 5 boats for hire on Lake Torpasjön (Nos 1-5) and 10 boats on Yttre Åsunden (Nos 6-10).

Permit	Price	Validity
Day permit	30 SEK	calendar day (midnight to midnight)
Annual permit	300 SEK	1 year from date of purchase
Boat hire	50 SEK	per calendar day (midnight to midnight)
