Would you like to fish in Borås?

The Municipal Fishing Licence is valid in large areas of the Municipality. The Municipal Fishing Licence entitles you to fish with rod and line in the lakes, rivers and streams covered by the Municipal Fishing Licence. This brochure gives details of the lakes and water courses you are permitted to fish. It explains the current regulations. The regulations vary between waters. Please check in the brochure for the regulations governing the water you intend to fish **before** you start fishing.
